Whereas, under dispensation of an all-wise Providence, our member and esteemed comrade, Dr. J. C. Hill, has been called from among us, and we have met to express our sorrow at his loss, and our appreciation of his worth, therefore,

Resolved, That we have heard, with profound sorrow, of the sudden death of Dr. J. C. Hill, late a member of this company; a faithful and efficient officer, a zealous worker in our common interests, and a genial, courteous and amiable associate.

Resolved, That in the death of Dr. Hill, we are sensible that we are deprived of the companionship, counsel and friendship of a true and worthy member, whose sudden demise we shall always deplore.

Resolved, That in the death of Dr. Hill not only have we suffered, but our whole community, in the loss of a valued citizen, whose worth, as a citizen and as a man, was beyond all praise, and whose kindly traits of character had won him an exalted place in the regard of all our people.

Resolved, That we tender his bereaved family our heartfelt condolence and sympathy in this, their sad affliction.

Resolved, That in testimony of the appreciation of our deceased friend and brother, the engine house and apparatus of this company be draped in mourning for thirty days, and the flag be placed at half mast to-morrow, and the bell of the engine house be tolled between the hours of seven and eight a. m., at which hour his body is to be borne from this city for interment.
